SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF LOS ANGELES — STANLEY MOSK COURTHOUSE

FOX NORMANDIE APARTMENTS, LP, Plaintiff, v. DERRICK L. BEVERLY, Defendant.	Trial Case No. 22STUD06657 Appellate Division No. 26APLC00322 Appellant: Derrick LaMont Beverly

DECLARATION OF DERRICK LAMONT BEVERLY IN SUPPORT OF PROTECTIVE RECORD-DESIGNATION RECONCILIATION

DECLARATION OF DERRICK LAMONT BEVERLY

I, Derrick LaMont Beverly, declare as follows:

1. IDENTITY AND KNOWLEDGE

I am the self-represented defendant and appellant in the above-captioned matter. Except where I expressly identify a court record or document prepared by another person, the matters in this declaration are based on my personal acts, observations, or review of the identified records.

2. IDENTIFIED COURT RECORD

I reviewed an October 9, 2026 printout of the Los Angeles Superior Court Civil Case Access docket in trial case 22STUD06657. It reflects the September 2, 2026 minute order, September 3 notice of appeal, October 2 notice of default for appellate matter 26APLC00322, September 29 court fee-waiver order, and six October 7 notices/declaration concerning the protective cure. The docket printout does not establish the full text or disposition of each underlying document.

3. OCTOBER 9 OUTLOOK CORRESPONDENCE

I possess a two-page PDF export of an Outlook message bearing the subject "URGENT NOTICE — 22STUD06657 / 26APLC00322 — APP-103 Protective Cure, APP-104 Proposed Statement

on Appeal, Notices and Proofs of Service." It records a message from dlb@dlbllclaw.com to ada@loacs.com with copies to kmedina@loacs.com, tmerrell@loacs.com, cgodinez@loacs.com, eservice@loacs.com, and assistant@loacs.com, sent Friday, October 9, 2026 at 2:28 p.m.

4. SCOPE AND LIMITATION

The email PDF lists five purported attachment descriptions, including corrected APP-103, protective support, docket reference, transmittal, and SHA-256 control manifest. I do not offer that email export, standing alone, as conclusive proof of attachment delivery, authorized electronic service, or filing acceptance. Actual file attachment metadata, applicable service consent, and any One Legal service confirmation require independent reconciliation.

5. CURRENT REQUEST

I request receipt and docket reconciliation of the corrected APP-103 record designation reflecting my selected APP-104 statement-on-appeal and clerk's-transcript elections. I request a determination by the court on the status of the October 2 default after evaluation of the operative designation and proposed statement submissions. I make no representation here that an APP-104 was accepted merely because a notice referenced it.

6. RESERVATION REGARDING SIGNATURE

This declaration is a draft for my personal review. Its factual assertions must be corrected if any differ from my knowledge, and it is effective as my declaration only when I execute the following penalty-of-perjury statement.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on 10/9, 2026, at Los Angeles, California.
