COUNTY OF LOS ANGELES
APPELLATE DIVISION

FOX NORMANDIE APARTMENTS, LP,	Appellate Division Case No. ~~26APLC00322~~ 26APLC00222
Plaintiff/Respondent,	Trial Court Case No. 22STUD06657
v.	**NOTICE OF PROTECTIVE TENDER/ RE-FILING OF APP-103; REQUEST TO ACCEPT CURE AND DISCHARGE DEFAULT**
DERRICK L. BEVERLY,	
Defendant/Appellant.	

Appeal from September 2, 2026 postjudgment order

TO THE CLERK OF THE SUPERIOR COURT AND THE APPELLATE DIVISION:

1. Defendant/Appellant Derrick LaMont Beverly submits this notice concerning a protective tender or re-filing of the Notice Designating Record on Appeal (Limited Civil Case), Judicial Council form APP-103, associated with the September 3, 2026 Notice of Appeal.

2. The available appellate materials identify a record designation dated September 3, 2026, electing a statement on appeal. This protective submission does not concede that the earlier designation was invalid, unfiled, or untimely.

3. The public docket identifies an October 2, 2026 Notice of Default in Appellate Division Case No. 26APLC00322. The completed notice specifying any defect and its service date has not been independently verified in the materials presently available.

4. If the asserted deficiency concerns APP-103 or the designation of the record, Appellant requests acceptance of the accompanying APP-103 as a protective cure, subject to confirmation of the actual deficiency and applicable procedural requirements.

5. If the October 2 notice concerns a different document or act, Appellant requests the completed notice, any attachment, and the clerk service record so the identified requirement can be addressed without speculation.

6. This notice does not represent that APP-103 was previously rejected or not filed, nor that any deficiency has already been cured. Appellant preserves all objections concerning prior submission, filing status, document coding, service, deadlines, and contact information.

7. Appellant requests a conformed copy or receipt for any document accepted and confirmation of the current appellate register of actions.

Dated: 10/9, 2026
