2. **Purpose of this declaration.** I submit this declaration to support my emergency ex parte request and to provide the required **notice declaration under CRC 3.1204**, including the method, timing, and substance of notice.
3. **Notice provided / service completed.** On **December 19, 2025**, I caused the ex parte packet to be served electronically via **One Legal/InfoTrack eServe**, reflecting:
   - **eServe Order No.: [27046327]**
   - **Time submitted: [11:37 a.m. PT]**
   - Status: **Complete / Notification Sent**
   - Recipient: **Plaintiff's counsel Ada R. Cordero-Sacks, Esq. (ada@loacs.com)**
     I am informed by the One Legal confirmation screen/receipt that notice was sent at the time stated above.
4. **What was provided as notice.** The notice/service included the **Notice of Emergency Ex Parte Application and Hearing**, this declaration and supporting papers, and the requested **proposed order/relief**.
5. **If notice is shortened (explain).** Notice is shortened because the relief requested is time-sensitive and I encountered same-day filing barriers caused by my EFSP vendor account access being restricted due to a billing lockout discovered today. I initiated contact with the vendor to cure the issue and proceeded to serve and submit papers immediately once service/filing access was available.
6. **Request.** I respectfully request the Court consider the emergency ex parte application on the merits and grant the requested stay/relief, or in the alternative set the earliest possible hearing and issue any interim relief the Court deems appropriate.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on **December 19th, 2025**, at **Los Angeles, California**.
